PLAINTIFF'S STATUS REPORT

Plaintiffs hereby provide the following status report pursuant to the Court's June 30, 2025, text order:

On July 11, 2025, Plaintiffs took the deposition of Lytx, Inc. pursuant to the Court's June 30, 2025 Order. At the deposition, Lytx, Inc. produced new GPS data and metadata. The new data, when combined with the investigating officer's dash camera footage and information from the police report, demonstrates that the dash camera video is authentic and Defendant Russell was driving the truck in the video at the time the collision between Plaintiffs and an unknown driver occurred.

Considering the new information, Plaintiff will move to dismiss the case with leave to refile against "John Doe" pursuant to SC Code § 38-77-180 on or before July 18, 2025.
